Ride Our Rides!

Wonderland Express Train Ride

Our shiny locomotive, truly a train-lover's delight, pulls multiple cars with two specially designed wheelchair-accessible ramps all the way around our scenic 8-acre lake, a distance of almost a mile. Along the way, riders go "around the world" and pass rest areas reminiscent of Africa, Germany, Japan, Mexico and Italy.

Off-Road Adventure Ride

Hop on or wheel into an off-road vehicle and cruise around a twisting, turning track that weaves its way through the park, past many colorful activities and sights. The ride's ultra-accessible vehicles are the first of their kind in the world, enabling individuals in wheelchairs and their companions to enjoy the ride comfortably.

Carousel

Our beautiful 36-foot-in-diameter, one-of-a-kind carousel features beautiful animals, unique benches and moving custom "wheelchair chariots" that allow children and adults of different abilities to fully experience the fun of a merry-go-round.

Experience The Sensory Village™

Our unique Sensory Village is a cluster of creatively themed spaces such as an interactive theater, a stable, an auto fix-it shop, a grocery store and even a TV station where guests can perform on camera. Each of these themed environments inspires imaginative play and offers interactive sensory stimulation through the use of colors, lights, sounds and textures. You have to experience it to believe it!

Enjoy Our 8-Acre Lake

Our beautiful lake is the perfect backdrop for many fun activities. Enjoy catch-and-release fishing, water cannons and remote-controlled boats from the covered deck of our rustic Fishing Wharf. Cross a bridge to Pirate Island where you'll find an exciting playscape, sitting garden and even our very own pirate character guarding the entrance! For a more relaxing experience, take a stroll along the wide Walk & Roll Path that circles the lake. Stop at the themed rest areas along the way to soak up the sights and admire gleaming kinetic sculptures dancing in the wind as well as our fountain in the middle of the lake that creates a 65-foot-high geyser!

Play. Play. Play!

The entire family can enjoy a full day's play on our three incredible playground areas that offer cooling shade and misters as well as brightly colored custom rubber surfaces for safety and fun. Our specially designed playscapes feature a double-wide ramp system large enough for two wheelchairs to pass each other for extra freedom of movement. Lots of interactive panels let imaginations run wild. Additionally, we offer wheelchair, adaptive and traditional swings so all our guests can enjoy soaring through the air. There are also separate sand and water play areas plus an air-conditioned gymnasium and an outdoor music garden. When it comes to family fun, Morgan's Wonderland has it all!

Picnics & Parties

Sit, relax and enjoy something to eat at The Picnic Place. There are shaded wheelchair-accessible tables surrounded by lush landscaping and trees so you can get out of the sun and enjoy a refreshing snack. **You may bring your own cooler, food and drinks***, or you can visit our conveniently located concessions and vending areas. Restrooms and swings are nearby so kids can play while family and friends can take a little break.

For larger groups or special occasions, there are three pavilions located around our scenic lake with great views and cool breezes. These pavilions may be reserved in advance by calling (877) 495-5888. So whether you prefer to have some quiet time or want to throw a fun party, you'll find the perfect place to accommodate your group.

*No grilling, alcohol or glass containers allowed in the park.
